Dear Mr. DeLeonardis:

RE: Bond Rider and Bond Release, White River Shale Project,
ACT/047/017, Uintah County, Utah

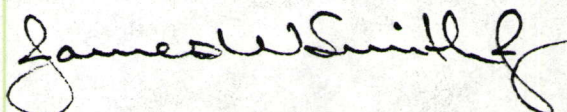

The Division of Oil, Gas and Mining (Division) received a copy of the rider to Bond No. K00683449-C-121 with Insurance Company of North America on October 4, 1984 increasing the Reclamation Bond with the Bureau of Land Management (BLM) for the White River Oil Shale Project from \$2,900,000.00 to \$4,400,000.00, effective August 30, 1984.

Per the Memorandum of Understanding between the BLM and the Division, all future reclamation bonding for this project will be conducted through a single agency (BLM) with Division concurrence to avoid duplication. Therefore, the Division hereby authorizes the cancellation and release of Reclamation Bond No. K00683449-H-175 with Insurance Company of North America in the amount of \$1,500,000.00, submitted August 23, 1982.
